C. INFORMATION ABOUT THE PROCESSING OF PERSONAL DATA

In connection with our online activities different personal data are processed for different purposes. You will find information below regarding the purposes and means of the processing of personal data.

If you decide to use this website as outlined herein, your personal data will be automatically transferred to HUGO BOSS affiliates in the U.S. and processed according to the terms described in this Privacy Policy. We may share your personal data with our affiliates, external service providers, third party vendors, agents, and/or other, unaffiliated third parties, which may be located in the U.S., Canada, the EU, or other locations, for the purposes outlined herein. Where required or permitted by law, we may share your information with law enforcement agencies or regulators located in such jurisdictions.

I. Usage of Cookies

In this Cookie Policy you will receive information about the use of certain tracking tools, such as cookies within the HUGO BOSS website.

1. What tracking tools do we use?

We obtain information about the use of our website through certain tracking technologies. Some of this information may be linked to you personally. This information helps our website function correctly and supports the work we do to understand the needs of our customers. Device and activity data may be automatically collected via our website, as described below.

- **Google Analytics.** We use tracking tools, such as Google Analytics, which is a web analytics service that allows us to understand how users engage with our website. Through the use of cookies, the tool collects information such as how often users visit our website, and the pages that users visit. We use this technology to optimize our customer journey and improve site performance. For more information about how Google Analytics collects and processes data, you may visit ["How google uses data when you use our partners' sites or apps."](#)
- **Activity and Cookie Data.** Your Internet browser has a feature called cookies, which store small amounts of data on your computer or device about your visit to our website. We and our service providers use browser and flash cookies and other common online tracking technologies, including pixels, and electronic images known as “web bugs” (sometimes called transparent GIFs, clear GIFs, or beacons). We generally refer to such other tracking technologies and cookies as “cookies”.

- **Other Technologies.** In conjunction with cookies and other tracking tools, we use data management platforms, such as the Adobe Audience Manager, in order to understand how users engage with our website. We use these technologies to understand how you use our website and so that we may deliver some targeted advertisements to you.

Cookies allow us and our service providers to automatically collect information regarding general user-traffic patterns, and your interactions with our sites, including managed social media presences, and other unaffiliated websites and mobile applications. In using such technology, we automatically collect data such as the page served, time, source of the request, type of browser making the request, preceding page view, dynamic IP addresses and other similar information to understand how our advertising campaigns are performing or how to improve and tailor advertising and the site experience for you. Please see below for a description of how our sites may be impacted by the cookie settings on your devices.

2. What are our policies to manage cookies, “Do Not Track” signals and interest-based advertising?

Controlling Our Tracking Tools.

You do not need to have cookies turned on to visit our website, although active participation in certain areas of our website may require cookies. You can set your browser to refuse or delete cookies. Please consult the corresponding instructions of the manufacturer for more detailed information on the actual procedure. If you configure your computer or device to block all cookies, you may disrupt certain features of our website and limit the functionality we can provide when you visit or use our website.

Controlling Online Interest-Based Ads. We sometimes work with online advertising vendors to provide you with relevant and useful ads, including ads served on or through our website or on other companies' websites. These ads may be based on information collected by us or third parties. For example, your postal code may be used to target an ad for people in your area. These ads may also be based on your activities on our website or on third party websites.

For more information about our ad service provider and its cookies, including information about how to opt out of these technologies, you may visit <http://www.youradchoices.ca>. In addition, you may prevent Google's collection of data generated by your use of the websites (including your IP address) by downloading and installing a Browser Plugin available at <https://tools.google.com/dlpage/gaoptout?hl=en>.

To learn more about certain cookies used for interest-based advertising (including through cross-device tracking) and to exercise certain opt-out choices you may have regarding cookies, please visit the [Digital Advertising Alliance of Canada](#), or your device settings for our mobile app.

3. Why do we use cookies?

We use various types of cookies for the purposes outlined below:

Necessary Cookies

Some functions of our website cannot be offered without the use of technically necessary cookies. In these cookies, we collect technical communication and usage data, such as the IP address, technical log information, login information if applicable, and a unique cookie ID, which enables us to recognize you when you return to our website. Necessary cookies are usually deleted automatically as soon as you close your browser (so-called session cookies), however, some may be stored for a limited period of time, as may be permitted pursuant to applicable laws. We use service providers to provide certain technologies and pass data on to them for this purpose.

Functional Cookies

Functional cookies serve the purpose of enabling you to have a better user experience. These cookies are not required, but they simplify your visit to the website by storing communication and usage data, such as font, country and currency settings, as well as a unique cookie ID, which enables us to recognize you when you return to our website. The cookies containing your personal data are usually deleted automatically as soon as you close your browser (so-called session cookies). The provision of your personal data is not necessary for the use of the website, however, please note that it can have a negative impact on the presentation and user comfort (usability) of the website if you do not provide your data to the extent mentioned above. We use service providers to provide certain functionalities and pass data on to them for this purpose.

Cookies for Analytics

We use various cookies for analytics purposes, e.g., to better understand how the website is used and to improve its services. For this purpose, we collect technical communication and usage data, such as the IP address, technical log information, login information (if applicable), and a unique cookie ID, which enables us to recognize you when you return to our website. We also collect certain data in connection with your order as well as analysis data, i.e., aggregated data on which conclusions are drawn. We use cookies for analytics service providers and pass data on to them for this purpose.

Cookies for marketing purposes

We use various cookies for advertising and targeted marketing purposes, e.g., to place personalized advertisements. This also includes the use of cookies from various social media providers, such as Facebook. For this purpose, we collect technical communication and usage data, such as the IP address, technical log information, login information if applicable, and a unique cookie ID, which enables us to recognize you when you return to our website. We also collect certain data in connection with your order as well as analysis data, i.e., aggregated data on which conclusions are drawn. We use service providers for marketing purposes and pass data on to them for this purpose.

Within our company, we pass on your personal data and tracking data exclusively to those affiliate companies, units, and persons who need this data to fulfil their contractual and legal obligations or to assist in completing the purpose for which the data are collected.

II. Informational use of the website

When the use of the website is purely informational, certain information, for example your IP address, is for technical reasons sent to our server by the browser used on your end device. We process this information in order to provide the website content requested by you. To ensure the security of the IT infrastructure used to provide the website, this information is also stored temporarily in what is referred to as a “web server log file”.

You will receive more detailed information on this below:

IV. Use of sales platforms

In addition to purchasing via our online store, you have the option to purchase our products via sales platforms of other providers (Zalando, Amazon, etc.), so-called marketplaces, which triggers further data processing. We receive order form and purchase data from our respective marketplace partner, which we use for the processing of your order, e.g. preparation of the shipment of the goods ordered by you, provision of shipping information/shipment tracking. We give your data to the shipping service provider selected by you or the Marketplace partner. We store the data until your order has been fully processed, i.e. until the goods have been shipped. In addition, we store this data for evidence purposes for any assertion, exercise or defense of legal claims beyond that for a transitional period of three years from the end of the year in which you provided us with the data and in the event of any legal disputes until their termination. We also store this data insofar as legal, in particular commercial and tax law, retention obligations exist.

The marketplace partner of the sales platform remains responsible for the processing of your data under data protection law. There is no joint processing of your data with the marketplace partner or on our behalf. Our marketplace partners have their own privacy policies, which can usually be found on their websites. We are not responsible for the privacy policies and data processing practices of the marketplace partners.

D. COMMUNICATIONS RECEIVED FROM US

If you receive newsletters or other marketing communications from us, you can opt-out any time by clicking the unsubscribe link at the bottom of the message. You can also log in to your account to opt-out and update your marketing preferences at any time. You may also opt-out of receiving HUGO BOSS marketing e-mails at any time by emailing your unsubscribe request to privacy-ca@hugoboss.com.

Even after you opt-out or update your marketing preferences, please allow sufficient time to process your marketing preferences. It may take up to ten (10) business days to process your unsubscribe request. And even after you opt-out of receiving marketing communications from us, we may still contact you for transactional or informational purposes. These include, for example, orders, invoices and shipping confirmations, customer service issues, returns or product-related inquiries, surveys or recalls, or any questions regarding a specific order.

E. PROTECTION OF YOUR PERSONAL DATA (SECURITY OF PROCESSING)

HUGO BOSS has implemented various technical and organizational measures to ensure an appropriate level of data security while processing your personal data. HUGO BOSS is officially certified according IEC/ISO 27001 with regard to the protection of customer data.

To ensure confidentiality, integrity and availability of your personal data, HUGO BOSS has implemented f. e. the following technical and organizational measures (non-exhaustive list):

- Encryption of personal data
- Pseudonymisation of personal data
- Consistent application of the “need-to-know-principle” (access to your personal data is strictly limited to personnel who require access to provide the requested products and services)
- HUGO BOSS personnel and service providers are subject to an obligation of confidentiality
- Implementation of numerous precautionary measures to protect your personal data against unauthorized access, loss, alteration
- Contracting service providers of HUGO BOSS are contractually obliged to ensure the same appropriate level of security.

All technical and organizational measures implemented by HUGO BOSS shall always reflect the “state of the art”.

Even so, despite our reasonable efforts, no security measure is ever perfect or impenetrable. You can check the security of your connection by looking at the URL line of your browser. When accessing a secure site, the first characters of the site address change from “http” to “https.” If your browser or firewall does not allow use of secure sites, you will not be able to make purchases on our sites.

You are also responsible for keeping your personal data secure. We strongly recommend that you keep passwords unique from other identifiers such as user ID to help protect your privacy. In addition, you should make sure you only use trusted wireless connections in transmitting any personal data or other sensitive information.

F. EFFECTIVE DATE AND AMENDMENT OF THIS PRIVACY POLICY

This Privacy Policy is effective immediately.

We may amend this Privacy Policy at any time. If we make any material change to this Privacy Policy, we will prominently post the updated Privacy Policy and indicating at the top of the Privacy Policy when it was updated.

The currently valid version of this Privacy Policy can be accessed at any time at www.hugoboss.com/ca.
