

PRIVACY POLICY HUGO BOSS WEB

JAPAN

HUGO BOSS AG, Holy-Allee 3, 72555 Metzingen, Germany (hereinafter "**HUGO BOSS**" or "**we**") provides the HUGO BOSS website, including the online store integrated into it under the URL www.hugoboss.com/jp. HUGO BOSS attaches great importance to the protection of your personal data and processes it exclusively in accordance with the principles described below and in compliance with the applicable local data protection laws as well as the EU General Data Protection Regulation (GDPR).

In the following you receive information about the data controller processing your personal data and the data controller's data protection officer (**Section A**) and about your rights you may have with respect to the processing of your personal data (**Section B**). You also receive information in the following about the processing of your personal data (**Section C**).

NOTE: If you are purchasing articles from online store you will be subject to the **PRIVACY POLICY of GLOBAL-E NL B.V.. ("Global-e")**, Krijn Taconiskade 430 1087 HW Amsterdam, The Netherlands, HUGO BOSS's international fulfilment partner. Global-e will be a **data controller** in its own right in respect of any personal information it holds to conclude, manage and perform the purchase contract.

Depending on the section of data processing, your personal data is processed in HUGO BOSS's or Global-E's system area. As part of the purchase process, customer data is processed exclusively in the online store and in the HUGO BOSS system area ("**operating range HB**"). Only during the "checkout process" is customer data transmitted via an interface to the Global-E system area, where further data processing takes place ("**operating range GE**"). With this data transfer via the interface into the Global-E system area, the factual influence and responsibility for data processing changes from HUGO BOSS to Global-e.

A detailed description of how HUGO BOSS and Global-e make HUGO BOSS's products available for purchase is included in the [Terms and Conditions of Sale](#).

- VI. Right to object (Art. 21 GDPR)

Under the conditions provided in Art. 21 No.1 GDPR you have the right to object, on grounds relating to your particular situation, at any time to processing of your personal data which is based on Art. 6 (1) (e) or (f) GDPR, including profiling based on those provisions. Under the conditions provided in Art. 21 No.2 GDPR you have the right to object at any time to processing of your personal data for such marketing, which includes profiling to the extent that it is related to such direct marketing.

You can find detailed information regarding the legal basis of processing in **Section C** of this Privacy Policy.

- VII. Right to withdraw consent (Art. 7 (3) GDPR)
- VIII. You have the right to lodge a complaint by contacting our Data Protection Officer (**Section A.II.**). The Data Protection Officer will assess any complaint with the aim of resolving it in a timely and efficient manner and may request relevant information from you that is required to resolve the complaint.
- IX. You also have the right to lodge a complaint with the supervisory authority at any time (Art. 77 (1) GDPR)

You may contact our Data Protection Officer (**Section A.II.**) for the purpose of exercising your rights.

C. INFORMATION ABOUT THE PROCESSING OF PERSONAL DATA

In connection with our online activities different personal data are processed for different purposes. You will find information below regarding the purposes and means of the processing of personal data.

I. Tracking including the use of cookies

1. General information

Personal data may also be processed as part of the tracking process. Personal data is all data that can be related to you personally. The execution of programs or the transfer of viruses to the terminal device used by you is not possible.

Your browser uses so-called Cookies when you visit our website. Cookies are small text files that your browser stores on your hard drive. If you access the HUGO BOSS websites again, HUGO BOSS may retrieve the stored cookie information. We and our service providers use browser and flash Cookies and other common online tracking technologies, including small graphics known as counting pixels, pixel tags, web beacons or clear GIFs, which are used in connection with the provision of our services to track the use of the online service by our users. We generally refer to such other tracking technologies and Cookies as "**Cookies**".

We would also like to point out that you can generally prohibit the use of Cookies or delete Cookies in your browser settings. Please refer to the manufacturer's instructions for further details on the specific procedure.

If our app is available and you use it, log data is collected via the Hypertext Transfer Protocol (Secure) (HTTP(S)). Your terminal device (model and IMEI), operating system, the accessed (sub) page, date and time of access, country (according to IP address), technical usage data (e.g., which products were accessed, shopping cart information, completion of a purchase) are processed. So-called IP anonymization is activated in the App. This means that the technically transmitted IP address is anonymized or alienated by shortening the IP address (by deleting the last octet of the IP address) before storage.

Cookies and tracking technologies in the App are collectively referred to as "Tracking Technologies."

You can find detailed information about the tracking technology used in each case, such as the purpose of processing, the data processed, the storage period and the service providers used on the website via the cookie banner/ cookie settings, and in the app via the consent overlay/ consent settings. You can also revoke your consent at any time either for a tracking technology category or for individual services via the "Cookie Settings" in the footer of our website or via the "Consent Settings" tab in the app. If you prohibit the use of tracking technologies, functional impairments are possible.

2. Various types of Tracking-Technologies

HUGO BOSS uses various types of Tracking-Technologies namely necessary Tracking-Technologies, functional Tracking-Technologies, Tracking-Technologies for analytics and Tracking-Technologies for marketing purposes. In the following you will receive more information about these various types of Tracking-Technologies.

Within our company, we pass on your personal data exclusively to those units and persons who need this data to fulfil their contractual and legal obligations or to execute our legitimate interest. There is no automated individual decision-making cases within the meaning of Art. 22 EU GDPR.

For more information about the service providers, which we use, please go to "Cookie Settings" in the footer of our Website.

a) Necessary Tracking-Technologies

Some functions of our website cannot be offered without the use of technically necessary Tracking-Technologies. In these Tracking-Technologies, we collect technical communication and usage data, such as the IP address, technical log information, login information if applicable, and a unique Cookie/User-ID, which enables us to recognize you when you return to our website or open our App. HUGO BOSS is working with Global-e who will be seller of the goods if you decide to buy something from the online store. In order to be able to conclude a contract by you with Global-e it is necessary to collect your browsing information and transfer it to Global-e.

b) Functional Tracking-Technologies

Functional Tracking-Technologies serve the purpose of enabling you to have a better surfing experience. These Tracking-Technologies are not required, but they simplify your visit to the website by storing communication and usage data, such as font, country and currency settings, as well as a unique Cookie/User-ID, which enables us to recognize you when you return to our website or open our App.

The provision of your personal data is not necessary for the use of the website/App. Please note that it can have a negative influence on the presentation and user comfort (usability) if you do not provide your data.

c) Tracking-Technologies for analytics

HUGO BOSS uses various Tracking-Technologies for analytics purposes, e.g. to better understand how the website/App is used and to improve its services.

For this purpose, we collect technical communication and usage data, such as the IP address, technical log information, login information if applicable, and a unique Cookie/User-ID, which enables us to recognize you when you return to our website or open our App. We also collect certain data in connection with your order as well as analysis data, i.e. aggregated data on which conclusions are drawn.

The provision of your personal data is not necessary for the use of the website/App.

d) Tracking-Technologies for marketing purposes

HUGO BOSS uses various Tracking-Technologies for advertising and targeted marketing purposes, e.g. to place personalized advertisements. This also includes the use of Tracking-Technologies from various social media providers, such as Facebook.

For this purpose, we collect technical communication and usage data, such as the IP address, technical log information, login information if applicable, and a unique Cookie/User-ID, which enables us to recognize you when you return to our website or open our App. We also collect certain data in connection with your order as well as analysis data, i.e. aggregated data on which conclusions are drawn. The provision of your personal data is not necessary for the use of the website/App.

The provision of your personal data is not necessary for the use of the website/App.

II. Visiting our website

When the use of the website is purely informational, certain information, for example your IP address, is for technical reasons sent to our server by the browser used on your end device. We process this information in order to provide the website content requested by you. To ensure the security of the IT infrastructure used to provide the website, this information is also temporarily stored in a so-called web server log file. Furthermore, we provide you with various functions to assist you when visiting the website (e.g. chat function, contact form, store locator). Depending on which functions you use, further data processing is carried out, which is also described below.

You receive more detailed information on the data processing in the table below:

IV. Use of sales platforms

In addition to purchasing via our online store, you have the option to purchase our products via sales platforms of other providers (Zalando, Amazon, etc.), so-called marketplaces, which triggers further data processing. We receive order form and purchase data from our respective marketplace partner, which we use for the processing of your order, e.g. preparation of the shipment of the goods ordered by you, provision of shipping information/shipment tracking. We give your data to the shipping service provider selected by you or the Marketplace partner. The legal basis for this data processing on our side is contract performance (Art. 6 (1) (b) GDPR). We store the data until your order has been fully processed, i.e. until the goods have been shipped. In addition, we store this data for evidence purposes for any assertion, exercise or defence of legal claims beyond that for a transitional period of three years from the end of the year in which you provided us with the data and in the event of any legal disputes until their termination. We also store this data insofar as legal, in particular commercial and tax law, retention obligations exist. Depending on the type of documents, there may be retention obligations under commercial and tax law of six or ten years (§ 147 of the German Fiscal Code (AO), § 257 of the German Commercial Code (HGB).

The marketplace partner of the sales platform remains responsible for the processing of your data under data protection law. There is no joint processing of your data with the marketplace partner or on our behalf. Our marketplace partners have their own privacy policies, which can usually be found on their websites. We are not responsible for the privacy policies and data processing practices of the marketplace partners.

D. PROTECTION OF YOUR PERSONAL DATA (SECURITY OF PROCESSING)

HUGO BOSS has implemented various technical and organizational measures to ensure an appropriate level of data security while processing your personal data. HUGO BOSS is officially certified according to IEC/ISO 27001 with regard to the protection of customer data.

To ensure confidentiality, integrity and availability of your personal data, HUGO BOSS has implemented f. e. the following technical and organizational measures (non-exhaustive list):

- Encryption of personal data
